

31 December 2023

Selection of Consulting Firm for Developing a Remote Monitoring Platform for Malawi Off-Grid Market Development Fund

Government of Malawi (GoM) has prioritized the development of the energy sector as an enabler to the achievement of Malawi 2063 and to accelerate access to reliable energy for socio-economic development of the country. To help the GoM to achieve the access target, the World Bank has provided financing for the implementation of the Malawi Electricity Access Project (MEAP) with the objective to increase access to electricity from 18% to 30% of the population in Malawi. MEAP is implemented by both the Ministry of Energy (MoE) and ESCOM. The MoE is specifically responsible of establishing and operating an Off-Grid Market Development Fund (OGMDF) or the Ngwee Ngwee Ngwee Fund, which is to drive the urgent need to provide energy access and to scale up the off-grid market.

Request for Proposals (RFP) are hereby invited from eligible consulting firms for development and implementation of a data-tracking platform. The firm will develop and deploy a cloud-based, secure software platform to collect, analyze, visualize, and disseminate project progress in easy-to-use, accessible interfaces.

Companies may request for further information by sending an email in the below mentioned address from Monday to Friday.

A Consultant may associate with other firms in the form of a joint venture or a sub-consultancy to enhance their qualifications. But, should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected.

Eligible firms should submit proposals (both technical and financial) in either electronic or hard copy format. Proposals should be delivered not later than 1600hrs within February 07, 2024 at the address below.

Only those companies which have been shortlisted will receive a notification.
